Scott,

Unfortunately, due to conflicting schedules and vacations, I haven't been able to coordinate a time for discussion of the NDA (and other outstanding matters) with our client yet. We will be meeting at the beginning of next week and I will follow up with you then. In the meantime, please be advised that Jo has no authority to disclose (directly or indirectly) any company information to any third party, and she should be guided accordingly .

I share Lawrence's view that it will be far more productive to pivot from a contentious to a constructive problem solving mode going forward.
I will follow up with you early next week.

Regards,

Meryl
